

### **\*Mashadi Trip – Cancellation Policy\***

#### Cancellation Fees:

Up to May 15 - Free cancellation

May 15 – June 1: 50% cancellation fee

From June 2 onward: 100% cancellation fee

 We strongly recommend purchasing travel insurance to protect yourself from unexpected changes or airlines cancellations.

#### **\*If the Trip Is Canceled by the Organizers\*:**

Should we be required to cancel the trip due to official instructions from the Israeli government, all participants will receive a full refund for payments made.

#### **\*If You Choose to Cancel\*:**

If a participant cancels out of personal concern or fear — while the trip is still proceeding as planned and travel remains open according to Israeli government guidelines — the standard cancellation policy will apply, including all applicable fees and non-refundable costs.

#### **\*Flight Cancellations\*:**

If your specific airline cancels your flight (e.g., Delta cancels but El Al continues to operate), this is considered a personal matter, and the standard cancellation policy will apply. Travel insurance is highly recommended to cover such situations.

We are fully committed to ensuring a safe and smooth experience for everyone and will communicate promptly about any significant updates.
